

Golf Challenge Sponsorship Opportunities

Sponsorship of the 2026 Golf Challenge affirms your commitment to the Great Lakes Bay Region and the homeless men, women and children we serve.

On Monday, June 8th, a caring group of golfers will chase, hack, chop and smack a golf ball in a mad dash to finish Rescue Ministries of Mid-Michigan's Golf Challenge and raise vital support for City Rescue Mission of Saginaw and Good Samaritan Rescue Mission of Bay City. Their goal is to provide emergency shelter services for people experiencing homelessness in our area.

Rescue Ministries of Mid-Michigan has been providing hope and care for those in need since 1905. Last year they served 1,512 homeless men, women and children, providing 81,248 nights of safe shelter. The services they offer are not just about helping the homeless and economically disadvantaged survive, but leading them towards spiritual renewal and healthy, productive lives.
